Design – Pearson Llyod

It is a mercurial, but modest family of chair, stool and table designed for Allermuir by PearsonLloyd. Folk is both timeless in its seemingly familiar design and timely in its modest and ingenious flexibility.

Folk Tables are perfect for both Café and occasional environments. Its range of round, square and rectangular configurations are available in a variety of sizes and finish options. Folk's additional features allow you to get creative with an array of accents colors, these include White, Pistachio, Aubergine, Seattle Green, Crayon Gray and Off-Black.
