

Henge

Design by Q Design

Henge is a modern interpretation of the classic club and tuxedo lounge chair, a hybrid of organic yet tailored shapes, with wedge shape seating that allows endless configurations for any space. The unique two-tone upholstery detail adds a sophisticated design element,

while the separate seat cushion can be upholstered in complementary or contrasting textiles, enhancing the longevity of the design.

Design Q Design

Q Design was launched as Quicksilver in 1994. After quickly finding themselves in the spotlight of the contract furniture industry, Q Design has evolved into an edgy, one-stop-shop for product development. With their intellectual partners, they are not only able to design award-winning

furniture and products but also assist in revitalizing client's images, communication, and distribution to keep up with the industry's ever-changing standards.
