

Hepworth

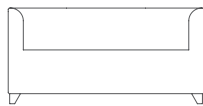

Design by Ben Grafton

Hepworth is a distinctive and graceful seating range for lounge and dining environments. The compact tub sofas are specifically designed to fit neatly into awkward spaces, particularly room corners.

Hepworth's shape gives the user a sense of space from adjoining chairs, without compromising on comfort.

Design Ben Grafton

Ben Grafton is a London based product designer with considerable experience. Since studying at Kingston University, he has worked on projects for Wolf Olins, Fitch and United Design Partnership as well as leading British furniture manufacturers.

He has also done extensive work into healthcare seating resulting in groundbreaking and award winning designs.

Being a designer is not just what Ben does but who he is.
