All prices listed in US $
to specify your pod...

1. Check the **Standard Features, Finishes** and dimensions and select the version you require.

2. Choose the **Fabric** combination for the panels and the work surface or table top finish.

3. Select the **Fabric grade** for the fabric specified for the seat and backrest (where applicable). Refer to main price list for fabric options.

4. N.B. Pods comprise multiple elements; screens, work surface and integrated seating (where applicable) each element is individually coded and priced above and must be added together to achieve the configuration as shown.

*HAPDTMU Team Meeting Upholstered Seat <u>must</u> be ordered with Team Meeting model

When ordering please ensure that you send us all this information so we can correctly fulfilllllllll your requirements.

Haven Pods –
Accessories & Extras

Design – Allermuir

Within open plan office environments it is more common today for employees to share resources such as printers and scanners. Aside from the general ambient noise of an office it is generally accepted that it is these kind of devices whirring into life that provide much of the acoustic and visual distraction of colleagues utilizing them.
