

# Jaks

Design – John Coleman

Jaks works equally alone, or in groups with its fun shapes interlocked and configured into exciting playful, tessellated patterns due to its distinctive, graphic 'Cross' shape. It's a simple form and construction that economically provides seating for up to four people. Jaks facilitates meeting and greeting in informal spaces, or a comfortable seat for those who just want to take a break whilst also having somewhere to just perch their laptop for a while.
